AmeriCorps Watershed Ambassador Program (NJDEP)

Watershed Ambassadors are available to make **FREE environmental education presentations** to community organizations and schools. Watershed Ambassadors educate students and citizens about watersheds and encourage them to get involved in local stewardship actions such as picking up after pets, conserving water and **volunteering for a stream litter cleanups**. For more information see Information sheet below and contact sheet for the Watershed Ambassador in your area.

Information sheet:

https://www.state.nj.us/dep/wms/bears/docs/njwap%20fact%20sheet%20updated%202022_23.pdf

Contacts by Watershed Management area:

Clean Communities Coordinators are encouraged to ask for referrals/references from those who have seen the programs listed. **Please be sure to ask for litter abatement content for all programs when using Clean Communities Grant money to fund programs.** Thank you!

This list of performers and educators are those who offer programs related to litter abatement and the proper handling of solid waste (trash and recyclables). There is no NJ Clean Communities “approved list” of performers/educators.
